BEER LIST

As America's Oldest Brewery, our roots run deep in the sleepy, coal-mining town of Pottsville, Pennsylvania; where David G. Yuengling arrived from Württemberg, Germany in 1829. Since opening our brewery in 2001, Tampa has become our second home. Now, we are bringing our six generations of brewing expertise to life in this one-of-a-kind culinary experience that highlights the diverse cultures of both Pennsylvania and Florida. All our menu items were created with beer pairing in mind, and our delicious beer flavors have been incorporated into several dishes.

★ TRADITIONAL ★ LAGER

Famous for its rich amber color and medium-bodied flavor with roasted caramel malt for a subtle sweetness and a combination of cluster and cascade hops, this true original delivers a well-balanced taste with very distinct character. Born from a historic recipe that was resurrected in 1987, Yuengling Traditional Lager is a true classic.

LIGHT ★ LAGER ★

A low carb, low calorie beer with flavor. Masterfully developed to maintain the full flavor profile akin to our flagship Lager brand but has only 99 calories and 3.2 carbs per 12oz serving. Skillfully pairing a caramel malt flavor and mild hop character creates a beautifully rich-colored beer with deep amber highlights that finishes smooth and clean.

BLACK ★ & TAN ★

Yuengling Black & Tan models a traditional English Half & Half. Introduced in 1986, Yuengling produced one of the first hand-crafted draft blends to lead this style of American brewing. Black & Tan combines 60% of our popular Dark Brewed Porter and 40% of our Premium Beer to create a brew that is rich and dark in color with hints of caramel and coffee from the dark roasted malts.

LORD CHESTERFIELD ALE

One of our heritage beers, Yuengling Lord Chesterfield Ale has as much rich heritage as it does flavor and appeal. Crafted in a unique two-stage European brewing style for enhanced bitterness, it utilizes both conventional kettle hopping and dry hopping after fermentation resulting in a dry sharp finish. Its distinct robust flavor is derived from a delicate combination of sweet maltiness and lingering herbal bitterness.

★ DARK BREWED ★ PORTER

Yuengling Dark Brewed Porter is an original specialty beer that has been brewed expressly for tavern owners and family trade since 1829. We are proud to be one of the largest Porter producers in the US. Our Porter calls for a generous portion of caramel and dark roasted malts which deliver a rich, full-bodied flavor and creamy taste with slight tones of chocolate evident in every sip.

DRAFT | \$4.50 PITCHER | \$15.00

Yuengling Premium is a pilsner-style brew, gold in color with a pale malt character that finishes crisp and clean. Premium blends both two-row and six-row barley malt for thirst-quenching taste. A regional favorite, it delivers a well-balanced flavor with slight traces of hop aroma that is always refreshing.

Yuengling, America's Oldest Brewery, is proud to collaborate with HERSHEY'S, America's most iconic chocolate brand, to present Yuengling HERSHEY'S Chocolate Porter. These two iconic PA brands have brought together Yuengling's nearly 200 year-old Dark Brewed Porter with the original taste of HERSHEY'S chocolate to create a deliciously smooth porter with hints of roasted malts and rich chocolate finish. Available while supplies last. HERSHEY'S trademark and trade dress are used under license.
